### PETITION UNDER 37 C.F.R. § 1.181 TO WITHDRAW HOLDING OF ABANDONMENT

Mail Stop Petition Commissioner for Patents P.O. Box 1450 Alexandria, VA 22313-1450 October 23, 2008

Dear Sir:

In response to the Notice of Abandonment dated August 26, 2008, Applicant hereby respectfully petitions under the provisions of 37 C.F.R. 1.181 and M.P.E.P. §711.03(c) for decision to withdraw the holding of abandonment.

The Notice of Abandonment dated August 26, 2008 indicates that this application was abandoned in view of Applicants' failure to timely pay the required issue fee and publication fee. However, a review of the file jacket for the present application, the firm docketing records, and the contents of the file for the present application reveals the our last response was filed to the Notice to File Missing Requirements dated June 13, 2006 on Augustick 4:02006, and that the last 10551641 01 FC:1464

130.00 DA

correspondence received from the Patent Office was the Notice of Publication dated <u>December</u> 14, 2006 (copy of file jacket enclosed).

The fact that no correspondence has been received from the Patent Office is evidenced by **Exhibits I-II** attached hereto.

Exhibit I is a copy of the front page of the attorney's file jacket of Serial No. 09/371,512. It is the policy in our office to record all information regarding Office Actions and responses on the front page of the file jacket. As the Petition Examiner will note, there is no entry with respect to the April 30, 2008 Notice of Allowance.

Exhibit II is a copy of the manual daily docket sheet for Harness Dickey & Pierce P.L.C. (Reston Office) for the date of July 30, 2008, containing entries made by our Docketing Personnel of due dates in response to United States Patent and Trademark Office Actions. It is the policy of our office to docket all due dates for Office Actions received from United States Patent and Trademark Office into our manual docket system. As indicated there is no entry which corresponds to Application Serial No. 10/551,641, for response to this Office Action.

In view of the above-described facts, it is readily apparent that the abandonment of the present application was unavoidable. Accordingly, this petition is being timely filed for the purpose of petitioning withdrawal of the abandonment in view of the above-stated facts.

It is further believed that no petition fee is necessary in connection with this petition. In the event that the petition fee is deemed necessary by the United States Patent and Trademark Office, it is respectfully requested that the fee of \$130.00 as set forth in 35 U.S.C. §1.17(h)(1) be charged to Deposit Account No. 08-0750.

In the event that any matters remain at issue in the application, the Examiner is invited to contact the undersigned in the Northern Virginia area, for the purpose of a telephonic interview.

Respectfully submitted,

HARNESS, DICKEY AND PIERCE P.L.C.

### Attachment to Notice of Abandonment

## For questions concerning the notice contact Office of Patent Publication Image Assistance Center: 888-786-0101.

Information is also available on the USPTO Internet web site: http://www.uspto.gov/web/patents/pubs/abandonnotice.html

### Respond to the Notice of Abandonment by one of the following:

1. Petition To Withdraw Holding of Abandonment (See MPEP 711.03(c) I and 37 CFR § 1.181) No fee required

Where an applicant contends that the application is not in fact abandoned (e.g., a reply was in fact filed), a petition under 37 CFR § 1.181(a) requesting withdrawal of the holding of abandonment is the appropriate course of action. Any petition under 37 CFR § 1.181 to withdraw the holding of abandonment not filed within 2 months of the mail date of a Notice of Abandonment may be dismissed as untimely under 37 CFR § 1.181(f). In order for a petition to be granted, the evidence must be sufficient according to 37 CFR § 1.8(b) Certificate of Mailing 37 CFR § 1.10 "Express Mail" mailing or MPEP 503 Postcard Receipt as Prima Facie Evidence. The petition should be addressed as follows:

By mail: Mail Stop: Issue Fee, Commissioner For Patents, P.O. Box 1450, Alexandria, VA 22313-1450 By facsimile: 571-273-8300

# 2. Petition To Withdraw Holding Of Abandonment Based On Failure To Receive Office Action (MPEP 711.03(c) II and 37 CFR § 1.181). No fee required

Where an applicant contends that the original Notice of Allowance and Fee(s) Due was never received, if adequately supported, the Office may grant the petition and remail the Office action. The showing required establishing non-receipt of an Office communication must include a statement from the practitioner stating that the Office communication was not received and attesting to the fact that a search of the file jacket and docket records indicates that the Office communication was not received. A copy of the docket record where the nonreceived Office would have been entered had it been received and docketed must be attached to and referenced in practitioner's statement.

Petition should be addressed to the Technology Center handling the application as follows: By mail: Commissioner For Patents, P.O. Box 1450, Alexandria, VA 22313-1450

By facsimile: 571-273-8300

### 3. Petition To Revive An Abandoned Application (See MPEP 711.03(c) III)

Where there is no dispute as to whether an application is abandoned (e.g., the applicant's contentions merely involve the cause of abandonment) a petition under 37 CFR § 1.137 (a) or (b) (accompanied by the appropriate petition fee) is necessary to revive the abandoned application. The text of these rules is available on the USPTO Internet Web site. Forms for these petitions, "Petition For Revival Of An Application For Patent Abandoned Unavoidably Under 37 CFR § 1.137(a)," PTO/SB/61, and "Petition For Revival Of An Application For Patent Abandoned Unintentionally Under 37 CFR 1.137(b)," PTO/SB/64, are available in the forms section of the USPTO website: <a href="http://www.uspto.gov">http://www.uspto.gov</a>.

Petitions under 37 CFR § 1.137 should be addressed to the Office of Petitions as follows:

By mail: Mail Stop Petition, Commissioner For Patents, P.O. Box 1450, Alexandria, VA 22313-1450

By facsimile: 571-273-8300

Note: Abandonment takes place by operation of law for failure to reply to an Office action or timely pay the issue fee, not by operation of the mailing of a Notice of Abandonment
